# March Board and Member Meeting

## **NEXT BOARD MEETING AND MEMBER MEETING**

Wednesday, March 13<sup>th</sup>, 2019

- Board Meeting: 10:00am -- 11:30am
- Member Lunch: 11:30am – 12:30pm
- Member Meeting: 12:30pm – 1:30pm
- Minnesota Power/ALLETE, Inc. (30 West Superior Street, Duluth, MN 55802)

## **TOPIC**

Minnesota Power is building the Great Northern Transmission Line to bring clean, emission-free energy into Minnesota, meet growing energy demands and increase system reliability. The Great Northern Transmission Line, which will deliver hydropower generated by Manitoba Hydro to customers in the United States, will consist of a 500 kV transmission line from the Minnesota-Manitoba border to the Iron Range 500 kV Substation near Grand Rapids, Minnesota, as well as associated substation facilities and transmission system modifications. We will have a conversation on the right of way acquisition of the Great Northern Transmission Line.

## **SPEAKER BIO**

Matthew Hagelin has 15 years of experience in the real estate industry. Over the years, Matt has worked in commercial & residential sales & leasing, commercial & residential appraisal, residential assessment for ad valorem purposes and right of way. Matt works in the Real Estate Services Department at Minnesota Power/ALLETE, Inc. in his role as Senior Property and Right of Way Agent. Matt began working with Minnesota Power in 2013, where he began working on the Great Northern Transmission Line Project.
