

Metropolitan Council - St. Paul, MN  
**Director, Real Estate Management**  
Salary range: \$99,486 - \$141,107 annually

**APPLICATION DEADLINE:** Continuous

We are the Metropolitan Council, the regional government for the seven-county Twin Cities metropolitan area. We plan 30 years ahead for the future of the metropolitan area and provide regional transportation, wastewater, and housing services. [More information about us on our website.](#)

**General Duties:**

The Real Estate Management Director provides strategic leadership for the timely and effective provision of the services and transactions necessary to meet Metropolitan Council real estate property needs and requirements, including acquisition, disposition, leases, licenses and relocation in compliance with all federal and state statutes, rules and regulations governing real estate property transactions. This position coordinates real estate activities across the Council and develops work plans, policies, and procedures that support the Council's real estate business strategy.

**Minimum Qualifications:**

Bachelor's degree in Business Administration, Real Estate, Finance, Law, Engineering or a closely related field AND eight or more years of progressively responsible experience in real estate management including five or more years of supervisory or leadership experience

OR

A Master's degree in Business Administration, Real Estate, Finance, Law, Engineering or a closely related field AND six or more years of progressively responsible experience in real estate management including five or more years of supervisory or leadership experience

**Desired Qualifications:**

- Knowledge of and experience with public sector real estate programs
- Experience directing real estate programs requiring coordination and negotiation with governmental entities, private developers, and individuals
- MBA and/or JD
